THE PRESIDENT APPEALS

Dear old friends,

Despite our earnest desire we could not yet make any significant progress for our office space. This is mainly due to our fund constrain. On the otherhand our present office accomodation can hardly accomodate the weekly attending members. So it's needless to say that prime need of the hour is to ensure a proper office accomodation. But arranging a permanent office at a suitable location our present amount of tk. 20.00 Lac is not enough at all. So we must go on raising our fund. There is no second alternative to this idea.

You must agree that no organization can exist without any operating cost for which every member of the organization remains under compulsion to pay his annual subscription regularly. But unfortunately we can hardly find any ORCA member (except the LTS) whose annual subscription is updated!! We can never deny the fact that LTS money played a vital role in taking the ORCA endowment fund to its honourable position.

In view of our alarming office accomodation situation I appeal to all of you to: -

I). Become LTS (Those who can afford) without further loss of time.

II) Clear out all your outstanding annual subscriptions immediately.

Please remember that a little effort on your part can take ORCA to a long way of its travel

LET ALL OF US PROSPER TOGETHER.

With all of our best wishes

(Engr. M. Siddiqur Rahman (2/53))

35th COLLEGE DAY CELEBRATION 2001

We celebrated the college day on 11th February this year. A get together was arranged to mark the occasion at Planning and Development Academy. The program was soon after the ORCA picnic. Despite this, lots of ORCA members attended the program.

The function included Blood Donation Program, discussion about ORCA Concert and coming Re-Union, recalling college memories and a small cultural program where ORCA kids and ORCA members performed. 10th batch sponsored the program and they cleared all the sponsorship money just on the program day. So there was no pain for the treasurer to collect the money. We recall that 10th Batch sponsored the transport for for Re-Union '97. ORCA Treasurer Fazlur Rashid (21/1149) beared the responsibilities of co-ordinating this program with other members. We also thank the members who have worked hard to make this program successful.

ORCA RAJSHAHI CHAPTER OPENS NEW OFFICE

ORCA Rajshahi Chapter is opening its new office on 10th May 2001 at Greater road. All the members of Rajshahi chapter are highly delighted to get a office of their own. Before going to this office, Samsur Rahman (10/534), president, ORCA rajshahi chapter allowed ORCA to use his office for any meeting.

Affluent members of Rajshahi chapter are sharing to furnish the office.

Recently ORCA Rajshahi chapter arranged a reception for the newly married Sayeed (18/994) and Anwar (19/1039) couple.

ORCA BLOOD FOR LIFE

The 30th March Live Concert was a huge success which at the same time played pioneer role in popularising the ORCA blood for life. So now it is the time to fulfill our commitment towards people by establishing OBL as quickly as possible. The concept of OBL is simple. To produce the same output that a Blood Bank does by organizing a comprehensive donor information database and operating a strong donor-recipient interaction system.

We believe that the ORCA members are ready to take this challenge and by enrolling themselves along with their family members and colleagues in the OBL donor list. So, you are requested to fill up the 'Donor Enrollment Form' and send it back to the ORCA office by 25th of June and not to

forget to encourage your close associates for becoming a donor of OBL. But please be selective in case of approaching.

MESSAGE OF PRINCIPAL

Span, an updated news bulletin of ORCA will come out regularly from now on. I am confident that the span projecting a brief pen picture of the whereabouts and activities of the old members of the prestigious institution inculcates the spirit of lasting friendship and brotherhood among the ex cadets.

However I express my heartiest thanks and felicitation to all the members of the editorial board and wish span a great success in the days ahead.

(Md. Faizul Hassan)

21ST FEBRUARY BLOOD DONATION PROGRAM

The Blood Donation Program that ORCA arranged on 21st February on the 'International Mother Language Day' was a public function for ORCA after a long interval. The venue was Dhaka University Campus, opposite to TSC and in front of

west gate of Shuhrawardi Uddyan. Red Crescent Society was associated with ORCA in the program.

One hundred and sixty nine (169) blood donors donated blood on the day. Three more organization organized blood doantion program on the day but no organization's collection was nearer to ORCA. Apart from that huge number of people has physically

visited the program premises and appreciated the noble program of ORCA. The program continued from 9am to 9pm. A large number of student members were present from opening till closing. Everybody was highly delighted to be the part of such a successful program and gathered new enthusiasm to organize blood donation program in different organization frequently. This program has brightened the image of ORCA and ended with full satisfaction. Now very popular private channel E-TV covered this program in their news at 7:30 and 11:15 PM. ORCA is grateful to Mr. Kalimullah, Asstt. Proctor of D.U., Journalist Shakil Ahmed and few students of Management Dept. of D.U. Dr. Mujibu000ddin Ahmed (8/430), Tariq Rijvee (23/1268) and Sharif (26/1413), Community Development Services Secretary were the program coordinators.

ORCA LIVE CONCERT 2001

30th March 2001, it was the day that is surely going to be one of the most memorable days of ORCA history. None of the programs of ORCA is less important than the another, but the concert that was held on the day is so far the first program that includes a commitment towards the general people of the country. Blood is always been a crying need of the people of our country as the amount of supplied blood for the patients are much less

than the requirements. Keeping this view in mind ORCA took the gracious step of establishing a mobile blood bank to help the suffering people in the name of ORCA Blood for Life (OBL). To raise fund for the same ORCA organized a live concert at Army stadium in collaboration with Pepsi. A committee was formed to arrange the program smoothly. All the ORCA members

took lots of pain to make the venture a success and without any doubt the venture was a huge success. ORCA achieved much more money than the expectation. Five of the leading band groups of the country performed in the concert. The stadium was jam-packed! A group of students of Bangladesh institute and dental technology came to enjoy the concert with *long live orca blood for life* written band on their forehead. A blood donation program was also

arranged on the same day. According to some sources this was the most successful concert ever in the history of Bangladesh. The ORCA army members specially Aminul Islam (4/204), Aminul Hasan (8/414), Baquee (13/724), and Jahangir (13/728) worked hard to arrange the Army stadium free of cost for ORCA. Tariq Abul Ala (3/133), Alamgir (11/580) and Imroz (11/629) were the pioneer to get the Pepsi sponsorship. Mahtab (3/129), Moni (21/1149), Abu (21/1167), Mamun (26/1423) and Shahriar (30/1604) were responsible for budget and account including the massive task of Ticket distribution and sale proceeds. In this regard an account closing report has already been submitted. The sponsor Pepsi and last but not the least the tireless ORCA members who brought this challenging task into reality with their toothbiting effort deserve special thanks.

ORCA arranged a discussion meeting for the concert purpose on 23rd March at Planning and development academy auditorium. Many aspects were discussed and important decisions were taken regarding concert on the day.

ARMY CHIEF DONATES BLOOD

Army chief Lt. General Harun-ur-Rashid BP RCDS Psc was present as the chief guest and donated blood in the blood donation program arranged by ORCA at the venue in the day of ORCA concert. This was for the first time an Army Chief had donated blood. Besides some ORCA members and a lot of people donated blood. On the same day Iftekhar Ahmad Itu (11/638) donated blood for the 50th time.

Major General Ahsan N. Amin NDC, PSC, C.G.S, Bangladesh Army and Mr. Latifur Rahman, Chairman Transcom Group were present as special guest on the occassion.

ANNUAL DOA & IFTAR

The Annual Doa and Iftar for the year 2000

Army chief making his way to the ORCA blood donation tent to donate blood

were held on 8th December at White Hall community center. Almost two hundreds of ORCA members and bhabies were present in the function. A general meeting followed the Doa and Iftar. Important ORCA matters were discussed in the general meeting including buying of assets for ORCA.

Monwar (21/1158) was the coordinator of this program. He arranged the program successfully with his helping hands, specially a group of 30th Batch members were very active in this program. Annual Qirat competition of next generation (ORCA kids) was also held for the first time. The owner of White Hall Community Center Mr. Zakir Hossain were present at the occassion and committed discount for ORCA and ORCA members. *Thanks to Iftekhar Ahmed (11/638) for arranging the fine community center for ORCA on discount rate.*

Some clips from the concert.

INTER HOUSE CRICKET COMPETITION 2000

Inter house Cricket competition for the year of 2000 was held on 24th November at Banani WAPDA colony cricket ground. The day was full of excitement and enthusiasm as like the other years. *11th batch sponsored the program.* The competition was of great contest. Tariq House could achieve the glory of becoming champion in the competition for the second time while Khalid House house became runner up. Razeev of 30th batch became the best player in the competition for his outstanding performance in both bowling and batting. After the competition our Ex-teacher Mr. Fazlul Qader and ORCA president M. Siddiqui Rahman distributed prizes among the winners. Thanks to Mr. Golam Faruk Suru Ex-national cricketer and Mr. Emran for taking the pain of umpiring. Besides cricket competition lots of fun and games were their for Bhabis and Children. *11th Batch arranged prize for all the events and thanks to them for the commitment to continue sponsoring the Inter House Cricket Competition every year.*

INDOOR GAMES & CULTURAL COMPETITION

The indoor games competition for this year brought great pleasure and enjoyment for ORCA members and the families. Like the other years, this year also there were three groups of competitors, for ORCA members, for bhabis and for ORCA kids. The competition was held from 6th September to 8th September. The indoor games competitions were held on 6th and 7th at Banani Roads and Highways Officers club and the prize giving ceremony was held on 8th at Planning & Development Academy. At the same time the cultural competition for next generation and a blood donation program was also organised on the day. The program was a very successful one. *Gratefully do we acknowledge that 6th batch sponsored the program.* Mamun (26/1423) and Shariful Islam (26/1413) and Atique (28/1508) Games & Entertainment Secretary of ORCA, were the co-ordinators of the program.

RECEPTION OF 31ST BATCH AND GENERAL MEETING

ORCA had a Get-together on 30th June 2000 at planning & Development Academy to receive 31st batch and discuss ORCA matters.

Around 350 ORCA members, Bhabis and children participated the Get-together. On 30th June we felt that planning and Development Academy Auditorium was too small for ORCA.

The program started at 5-15 P.M. with Blood donation program. This was 83rd Blood donation program organised by ORCA. It is once again a pride for ORCA that the blood donation program got wide Media coverage. Side by side the carrier Counseling of newly passed out 31st Batch started at 6 P.M.

ORCA president Siddiqui Rahman conducted this phase.

The speakers of this carrier counselling were Brigadier General Hafiz (6/304) Major Nasir (14/784) from Bangladesh Army, Commander Mohammad Ali Khan (7/339) from Navy, Sq Leader Mahmudunnabi (16/885) from Air Force, Dr. Ahsanul Kabir (2/36) of B.U.E.T., Doctor Saiful Alam (4/142) from Medical Profession. After the carrier counselling the formal reception of 31st Batch started. The new dimension of this program was Mrs. Mahmudi Khanam (Mrs. Mehmood (8/422)) took the responsibility of conducting the whole program.

Omar, spoke on behalf of 31st Batch. Along With the reception of 31st Batch ORCA gave reception to newly Married Couple (Married after July 1999). This is also a new program. ORCA started it especially to encourage Bhabis. At the same time gifts were distributed among Blood donors. After this session President ORCA presided over a very important Special General Meeting .

The General Meeting was to decide whether to join or not the convention/Confederation of Ex-cadets' Association. This was a very important issue for ORCA. Before the G. M. ORCA invited the opinion of the members. ORCA president Siddiqui Rahman at his opening speech stated the advantages and disadvantages of joining. He read out the proposals regarding the Convention and the mails at his hand received from E-mail circle. Most of the participating members of E-mail circle disagreed to join the convention. Then the president invited the members to give their views. The discussion lingered up to 10-30.

The members participated in the discussion were Major (Rtd.) Taneem Hasan (1/18), Major Shah Zakaria (1/33), Dr. Ahsanul Kabir (2/36) Advocate Haider (3/99), Major Mahtab (3/129), Yaweer Sayeed (7/334), Azizur Rahman Mintoo (8/439), Major Naser (14/784), Major Bayezid (14/792), Rafiq

(15/827), Nazbul (21/1132), Abu (21/1167), Rizvi (23/1268), Iqbal (24/1309).

All the members stressed on the unity and greater interest of ORCA family. Those who were in favor of joining they said about the globalization and synergy. Those who were not in favour of joining they stressed on the growing activities of ORCA. Concentrating the human and financial resource to mobilise ORCA activities. Especially in next two years ORCA has few specific goals to be achieved like having a property of its own, Finding out the distressed ORCA members and work for their well beings, start the project 'ORCA Blood for Life'. They also said we could join after our immediate goals are achieved.

After threadbare discussion President ORCA went for voting and invited senior V.P. Advocate Quamrul (3/139) to conduct the voting.

At this stage Shah Alam Selim (9/494) one of the very active member of ORCA raised a point that ORCA if decided to not join the convention then ORCA should join as observer with very limited participation to go through the scenario. Major (Rtd.) Hasnat (9/477) and Haider (24/1311) supported this view. Then president ORCA said this issue should also be decided by the vote of members present in the General Meeting. Then Quamrul (3/139) raised two issues for voting.

One is 'whether ORCA should join the convention as observer or not. Another is whether ORCA should join the convention or not'. The General Meeting in both the cases decided not to join the convention in general or as observer.

The Meeting hopes the success of the noble goals of the convention and at the same time concentrating at this moment in ORCA activities with its Motto 'let all of us prosper together'.

After the General Meeting and dinner the Band Group of 31st Batch presented a cultural show.

8th Batch presented all participating ORCA Members a wonderful key ring. Selim (9/494) contributed two hundred ORCA vests to be sold in the Get-together and the raised amount should go ORCA Benevolent Fund. The print of ORCA logo on the vests was very nice that time. *Thanks to 8th Batch for sponsoring the whole program at the same time we recollect that this 8th Batch sponsored the supplement of Re-union'97 and a Get-together in November' 97. We hope the encouraging participation of 30th June 2000 Get-together would continue.*

FEELINGS OF 31ST BATCH AFTER THE RECEPTION

On 30th June 2000, we became the members of ORCA the organization that binds every cadet of R.C.C. with heartstring. After passing six years with friendship and fellow feeling in the Cadet College, that was the time to look forward. But the feelings we cherished in our mind did not allow us to go a far from each other as well as from the great affection of senior shahi cadets, whom we always call Bhai, dear brother. The spontaneous participation of our senior brothers in the reception proved the feeling mentioned above. When we were cadets, we found ORCA happy at our glory and disappointed at the time of disgrace. And that day was the time to enter the greater arena of ORCA. It was no doubt, different feelings. We, the cadets of 31th batch, are really grateful to ORCA to give us such a glorious and memorable reception. The affection showed by our "Bhai's has influenced us to have all the responsibilities as a proud member of ORCA and taught us to believe in the motto "let all of us prosper together".

PICNIC

ORCA picnic is always an eagerly awaited program. The picnic for the year 2001 was held on February 2nd at a picnic spot of Rajendrapur. The convoy of two buses, one truck and with few private cars we started for the picnic spot at 9 am and reached there at about 10.30 am. After breakfast the inter house Volleyball competition was held. Tariq house became Champion and Khalid house became runner up. Meanwhile bhabies started sewing ORCA logo on handkerchiefs. The lunch started at 1.30 pm. After lunch

a group of delightful orca kids in the picnic.

many competitions were held for the ex-cadets and Bhabies. Raffle draw started at 4.30pm. The same day was also the birthday of son of Raqib (14/789). Raqib entertained everybody with cake At 5 pm ORCA

president engineer Siddiqur Rahman distributed prizes among the winners. After lots of enjoyment we started back for Dhaka at 6 pm.

Abu Ahmed Ferdous (21/1167) was the coordinator of this Picnic. A number of junior ORCA members helped him a lot to make the picnic successful. Thanks a lot to Zakir (16/881) Amirul (15/849) posted at Rajendrapur cantt. for their all out support to arrange the spot & making the picnic easier. We also thank Mirza Manjur Quader (8/405) and Rouf (13/742) of Rajendrapur Cantt. for their kind supervision.

The owner Mrs. Akram of the private spot was invited as a guest at the picnic. She was happy to be with ORCA and committed to help ORCA for the coming days. 9th Batch had been kind enough to contribute for the short fall of this picnic expenditure.

ORCA PALLI AND ITS OPENING

All of us know that during the devastating flood of 1998 ORCA tried its level best to be with the flood affected people. Even after the flood ORCA participated in post flood rehabilitation activities in Kurigram, Chapainabaganj and around Rajshahi Cadet College Area. As a part of it ORCA bought more than three bighas of land just after crossing R.C.C. on the way from P.T.C. Gool Chokkor 30 brick houses has been built therefor the homeless of Mokterpur and Yusufpur. Now the place is popular as ORCA Palli. Total cost of the project is around tk fifteen lakhs.

ORCA fixed 18th February '2000 to formally open the palli and Ex-chief Justice Latifur Rahman agreed to grace the occasion as chief guest. But unfortunately due to the failure of Bangladesh Biman Justice Latifur Rahman failed to reach R.C.C. Arranging chance ticket ORCA president Siddiqur Rahman manage to be present at the Palli. After Asar prayer professor Abdus Quddus, Principal Rajshahi Cadet College and ORCA president formally handed over the lease deed of the house to the home less. Around 20 ORCA members from Dhaka went to attend the occasion. Members of ORCA Rajshahi chapter were present with full enthusiasm on the day. Among others Samsur Rahman Polin (10/534) president and Monjur Farooq Chowdhury were present there. Faculty members and senior most batch of R.C.C. and local elites

were also present at the historical moments of ORCA.

ORCA is especially grateful to professor Abdul Quddus Ex-principal of R.C.C. and Major Niamul for their sincere care for ORCA Village. ORCA Rajshahi chapter mainly supervised the construction work of this project.

ORCA members and well-wishers of ORCA contributed for the overall flood relief operation and post flood rehabilitation. A large amount of contribution for post flood rehabilitation came from Muslim's from Boston Area organized by Abdul Hamid (1/1), Mahmudur Rahman (3/80) and some other overseas members also contributed for these activities. At present thirty families is residing in ORCA Palli. It has become an example in sardah. Now ORCA is entrusted with an added responsibility to look after the families.

LOKMAN HOSSAIN SRITI GOLD MEDAL

A function was arranged in R.C.C. on 26th January 2001 to distribute Lokman Hossain Gold Medal among the brilliant result holders of S.S.C. Major Azizul Hakim (14/763) sponsored the prize on the memory of his late father to inspire the R.C.C. boys. The same day was the Annual prize giving ceremony of R.C.C. and last day of Inter House Athletic Competition.

Air Chief Air Vice Marshal Jamaluddin Ahmed, was the chief guest. Professor Abdul Quddus, Principal R.C.C. Group Captain Towhid (1/6) and Major Azizul Hakim (14/763) spoke on the occasion.

The chief guest and elder brother of Azizul Hakim Dr. Fazle Hakim distributed the gifts. The gift were gold Medals. Azizul Hakim will also give Gold Medals for the cadets those who were within 10 in H.S.C. exam 2000. We congratulate him for such inspiration.

LET US CONTINUE TO BE WITH THE NOBLE CAUSES OF ORCA

ORCA has decided in a general meeting to trace out the distressed members and help them to be established. The cherished motto of ORCA 'Let all of us prosper together' inspired us to do this. Already in response to the appeal of ORCA President we have received some fund. But the problem is, this is not always easy to find out the members in critical hardship. So our kind request to all ORCA members to find our brothers in critical hardship and how can he be helped to overcome. We must gratefully acknowledge that some ORCA members have contributed for the treatment expenses of little Navid, the

son of a very active ORCA member Parvez Kabir of 6th Batch.

From long before ORCA is continuing scholarship for its needy student members. Till today except few exception this fund is running with the contribution of generous members we need around Tk. 90,000/= every year to distribute scholarship. For last days there was sufficient fund to disburse scholarship. But at this moment ORCA scholarship fund is nearly empty. We only have the commitment of Dipok (6/280), Shibly (6/284), Kamal (13/717) and an anonymous member. So we need more funds for scholarship. We hope at today's stage of ORCA members this will not be a problem to continue the noble venture. So, we request all members to come forward for our younger brothers who are waiting for ORCA'S assistance to continue the study smoothly. At the same time if you know any student member is in real problem, please inform ORCA scholarship committee immediately. Day by day the ratio of working members is increasing in ORCA and they are establishing themselves in their profession. Because of fellow feelings they are co-operating members to get job. We have to increase the co-operation and ensure that no eligible and sincere ORCA member is in problem of getting a job.
